SEASON'S GREETINGS!

December saw the return of Santa and sure enough, he paid us a visit here at LSI. As shown in the picture, he brought along his reindeer and helpers, one of which looked suspiciously like our teacher, Ronel. They treated the school to a fantastic rendition of 'Jingle Bells', handed out goodies then completely vanished.

Thanks to Ronel and class 2A for a fantastic and well-rehearsed performance. It really put us all in the festive mood!

XMAS BBQ

LSI Brisbane decided to see in the festive holidays in typically Aussie style. We headed down to sunny Southbank for a relaxing barbeque on our last Friday. It was a great turnout so thanks to everyone for coming along. Everyone had a great time, despite the weather eventually turning against us but not even that could dampen our festive spirit.

DECORATIONS

Thanks to all who helped us adorn our walls with tinsel and other decorations! It certainly helped us all get into the spirit of things.
