

Language Studies International 2015 Accommodation in St. Petersburg

• Accommodation in St. Petersburg: Homestay

All host-families where we accommodate our students are directly contracted by us.

We operate a system of transparent selection criteria in terms of geographical location, cleanliness, room size, bathroom, etc.

Our accommodation officer then visits the family and fills out a check-list. We interview the family members and inspect the apartment (with yearly re-inspections). While all our families live in clean and cosy apartments, the common areas (staircase, lift and yard) of most of the buildings are sometimes in need of repair.

All rooms are furnished with a bed, a desk, a chair and a cloth hanger/shelf

- You will be provided with a separate room in the flat of your host-family. In some families double rooms are available (upon request).
- Bed linen and towels are provided and changed once every 2 weeks.
- Your host family may be willing to do your washing and ironing, provided they have a washing machine, for an extra fee. Alternatively, you can take your laundry to one of the many laundrettes/dry cleaning services in the city.
- Accommodation in host families is calculated from Sunday to Sunday. Arrival day must be Sunday. For students arriving earlier than Sunday, additional fees will apply.
- The maximum travel time from home to school and vice versa is 50 minutes
- Couples and private bathroom accepted upon request
- Quite a few families have broadband internet. But all our schools offer free Wi-Fi and furthermore you can buy an inexpensive USB modem from a local provider.
