Tailored experiences for  
groups of all sizes

At LSI, we collaborate with our partners to create customised Ministays Programmes that cater to your group’s specific needs. We’ll help you choose the ideal accommodation, programme, and centre—ensuring the best experience at a price that fits your group’s preferences and budget. No matter your budget, travel dates, or special requests, we’ll design the perfect programme for you!

## Programme highlights

- **Customised Language Courses** (20 lesson/15 hrs per week) – English, French, or German lessons designed to meet students’ learning goals. *Alternanza Scuola-Lavoro* or *PCTO* programmes also available (for Italian students only).
- **Experienced Educators** – Fully trained teachers and dedicated staff ensure a supportive learning environment.
- **Comfortable accommodation** – Stay with local homestays (shared or single rooms) with B&B, Half or Full Board options. Residential and Guest House accommodations are also available (depending on location).
- **Engaging extra activities** - Organised and lead by our own teaching staff to enhance the learning experience

## Optional extras

- **Excursions** – Choose from full-day and half-day trips to explore the local culture and attractions.
- **Convenient airport transfers** – Optional return transfers from most major UK airports.
- **Group leader perks** – Single-room accommodation and free course for group leaders.
- **Travel passes** – Easy access to public transport.
- **Comprehensive insurance** – Optional coverage for added peace of mind.

## English for the World of Work

This programme is designed to equip students with essential professional skills for the modern workplace. Key components include CV writing, interview preparation, public speaking, and practical vocabulary for the job market. Students will also take part in company visits and educational tours, offering real-world insights into professional environments. This programme will meet **PCTO (Alternanza Scuola-Lavoro) requirements**.

Participants will enjoy a dynamic programme where they not only improve their English but also gain the vocabulary and skills necessary to thrive in the world of work that awaits them. This hands-on approach bridges the gap between language learning and career readiness, empowering students for future success

• How to write your CV	• How to make a public presentation
• How to prepare for an interview	• Useful vocabulary for the job market
