Accommodation in London

The City of London: a rare combination. It is a place where you can find art galleries, famous museums, gourmet restaurants, vibrant theatres and non-stop entertainment along with beautiful and varied architecture and a fascinating history. Whether a first time visitor or someone who has visited the city many times before, London can always offer something new and different. Hampstead is one of London’s loveliest and most fashionable areas green and relaxed with a traditional English atmosphere but also very close to the centre of the city.
