Meet our Host Families

Martina and Brian, an art historian and an educator, both 30 years old, live in a chalet with a large garden about 10 minutes from the School by public transport. They offer students a private room with a piano, with breakfast and dinner included from Monday to Sunday along with a lot of conversation in Italian. They both have many passions, including yoga, hockey, theatre and cinema. During the weekend, they often go hiking in the mountains and are happy to take their guests with them.

Isabella and Angelo have extensive experience in hosting students from around the world, having provided accommodation for several years. Cooking is their forte and staying with them means being able to enjoy home-made food and trying out some of the local specialties! Another great advantage is that their apartment is located just a 5-minute walk from the school and the city centre, a perfect arrangement!

These are just two of the wonderful host families who will really make you feel at home in Lugano!
