# Accommodation in Sliema

## Homestay

Host family accommodation is an ideal way to fully experience the Maltese culture and way of life (not to mention the food). All of our families are located in the Sliema/St. Julian's area, close to the sea and within walking distance of the school. Our Accommodation Coordinator visits all the families every 6 months to make sure that all is kept up to standard.

- Welcoming and friendly atmosphere
- Carefully selected by our Accommodation Officers and visited on a regular basis
- Choice of single rooms (or twin rooms if two students book for the same time period) with bed and half-board or full-board
- All bed linen and towels provided
- Most host families will wash the student's laundry once a week at no additional cost or will suggest nearby laundry facilities
- Good and reliable transport links
- At least one family member is expected to join you at dinner time. This will serve as an opportunity for you to have a daily conversation in English.
