

English for Academic Purposes / English for University

COURSE SPECIFICS:

Our **English for Academic Purposes / English for University Course** is designed to provide the required academic skills for successful studies at any international university. It is a full-time Intensive 30 Course and will take you from Upper Intermediate to Advanced level.

AIMS & FOCUS:

Through the Core text and supplementary, supporting materials, the aims of this course are:

- to enable you to become familiar with, and practise applying, English-medium academic conventions.
- to teach you to consider texts, discourses and issues in a critical light.
- to provide listening and speaking skills particularly suitable to academic environments.
- to enhance your abilities to be independent learners and to utilize the World Wide Web for their benefit.
- to facilitate a process for you so that you recognize and appreciate cultural viewpoints that may be different from your own.
- to ease the transition from studying in your own language to studying in English.

Prepare for university with LSI
