

Language Studies International 2015 Accommodation in Panama

- **Accommodation in Panama: Homestay**

Our host families are carefully screened to ensure they provide a pleasant and safe “home away from home” for our students, and families are selected on several criteria: location, lodging quality, furniture, nearby facilities, equipment and food.

Families are also selected on the basis of their hospitality and positive feedback from past students. Living with a host family can help you learn Spanish faster while experiencing Latin American customs and culture first hand.

Students will have a private room and breakfast and dinner are included in the price. Students also have the possibility to be in a host family without meals.

The rooms are cleaned weekly and the bed linen is also changed every week. Please bring your own towels. Internet access is included in the fees.

Homestay prices per person, per week:

There is a placement fee of \$55.00 for arranging a home stay and the cost per week is:

TYPE OF ROOM	PRICE PER WEEK	EXTRA NIGHT
Single room	225	40

Prices included: Bed linens, laundry once per week, breakfast & dinner, air-conditioning, access to Internet, hot water, electricity and water costs. Cleaning service is not included.
