## Dates, Fees and Costs 2021: Part Time Course

### Fees and Enrolment

Please note that our fee *includes* the Cambridge assessment fee. Please note that many other centres **do not** include this fee in their published prices.

### Early Enrolment Discount and Installments

We offer an early enrolment discount on the tuition fees if you complete the application process and pay your deposit in advance.

Course Month	Date From	Date To	Price Including Cambridge fee	£100 discount deadline (deposit payment)
February 2021	8/2/21	30/4/21	£1300	08/1/21
June 2021	1/6/21	20/8/21	£1300	30/4/21

If, after the interview, you are accepted on the course, you need to pay a non-refundable deposit of £250 to secure your place. We ask you to pay this within 7 days of receiving the offer letter in order to help us organise our courses. On receipt of the deposit we will send you a comprehensive self-study task and reading list to help you prepare further. The deposit is non-refundable, except in exceptional circumstances.

### Installments

Installments are available. There is a non-refundable installment administration fee of £25. The first installment of £450 is due three weeks before course start date, £300 at the end of month one, and the final balance at the end of month one. Specific dates will be provided.

The full fees or first installment must be paid 21 days before the course commences. If the course begins within 21 days, this does not apply, and full payment or deposit plus the first installment of fees is due when you accept the place.

Fees paid in full are refundable, less the deposit amount, if we receive notice in writing, up to and including 21 days prior to the commencement date of a course. After this point, fees paid are only refundable in exceptional circumstances and at the discretion of LSI senior management.
