# **MEDICAL ENGLISH**

*Mini Group 10 lessons per week*

## COURSE DESCRIPTION

English is the language of the international medical community. LSI provides a Medical English programme which will not only improve your general level of English but will also improve your knowledge in the field of human biology, medical science, nursing, formal report writing and much more. By the end of the course you will be able to communicate more effectively with medical colleagues from around the world.

The full programme runs for 8 weeks, from **January 9 – March 3, 2023 (winter)** and **July 3 – August 25, 2023 (summer)**, however students have the option to study for fewer weeks and join specific modules on the given dates. It's recommended for students to take at least 4 weeks of the programme. Modules can be rearranged according to the class' preference or upon request. **Contact us for more details.**

The **Medical English Mini Group programme** consists of **10 lessons per week** in small classes with a **maximum of 5 students**. The afternoon classes can be taken in addition to General English classes in the morning. **The Medical English programme can be booked independently or in addition to G20.**

**Minimum English level:**

Intermediate
