General 20 at LSI London Central

COURSE DESCRIPTION

28+ ENGLISH COURSE - LSI EDUCATION

The **28+ English Course** is a 9-week, topic-based programme tailored for students aged 28 and above, starting from **intermediate (B1)** level or higher. Each week, students will delve into a distinct topic area with a corresponding grammatical focus. The learning journey encompasses a comprehensive approach where vocabulary and grammar are systematically developed, revisited, strengthened, and interwoven, aligning seamlessly with the intended design of the course materials.

In common with modern textbooks and recent methodologies, LSI follows a communicative approach to English language teaching where the focus is on meaning and communication. Teachers will assist students in experiencing rapid improvement in their communication skills across a variety of everyday situations.

In two lessons each day, students cover the following areas: grammar, vocabulary, and pronunciation. In an additional two lessons, the focus will be on speaking, listening, reading, and writing. Students use a text book in conjunction with a wide variety of materials and exercises including roleplays, authentic materials.

This programme runs at LSI London Central every Monday from Jan 2 to Feb 26 (the course ends on Mar 1) and from Jul 1 to Aug 27 (the course ends on Aug 30). Teachers plan and customise lessons on a week-to-week basis. Classes are designed specifically for those students currently in the class. **Contact us for more details.**
