LSI BARISTA PROGRAMMES

COURSE DESCRIPTION

Interested in improving your English whilst learning a new skill that will help you find a job in your host country? LSI offer the opportunity to combine English with barista training at our Auckland, Brisbane, Toronto, Vancouver, and London campuses!

To apply for barista jobs you must be eligible to work while you study.

By the end of the course, you will have the background knowledge and practical skills necessary to be able to prepare and serve coffee in a commercial environment. You will receive a certificate of barista training issued at the end of the course essential for applying for jobs in coffee shops.

This programme runs in the afternoon and must be taken in addition to the General 20 or Intensive 24 course.
