Our Teaching Methodology

At LSI Independent College, we ensure every student reaches their potential. Small class sizes, close supervision, and strong pastoral care focus on individuals. Our flexible programme adapts to diverse skills, needs, and goals, paving a unique path to academic and personal success.

Engaging Teaching - Interactive classes motivate and challenge students.

Small Class Sizes - Max 5 students, ensuring full participation.

Excellent Teaching - Delivers key knowledge and sparks passion.

Critical Thinking - Teachers encourage questioning; students challenge ideas.

Curiosity and Motivation - Fosters independent learning.

Skills Development - Builds reasoning and exam-ready skills for university and work.

Leaders ensure that students who find reading more challenging are swiftly identified. Specific support is put in place for these students to help them to access the ambitious curriculum. All students are encouraged to read widely for both pleasure and to support their academic studies.

Ofsted Inspection Report, 2024

A Level Subjects

A levels are the standard qualifications required for admission to most UK universities. Even in Scotland, where the Scottish Higher is the predominant entry level qualification, A levels are widely accepted.

Pre A Level

GCSE COURSES FOR AGE 16+, IELTS 4-5.

Each year LSI Independent College can accept a small cohort of 16+ students on one-year intensive GCSE courses. The Pre A Level Programme is designed for students aged 16, equivalent to Year 11 in the British educational system. The primary goal of this programme is to prepare students for A Level subjects and their future university pathways.

Students will take English and Math GCSE exams by the end of the year, while other subjects are tailored to their individual strengths. The curriculum includes:

- Mathematics: 5 hours per week
 - English: 5 hours per week
 - Science (Biology, Chemistry, Physics): 5 hours per week
 - Humanities (Literature, History, Politics, Art): 5 hours per week
 - Physical Education (PE): 2 hours per week
 - Personal, Social, Health and Economic Education (PSHE): 1 hour per week
- LSI also offers online GCSE support to external students.

I SPENT TWO YEARS HERE. YOU GET LOTS OF ATTENTION, WHICH IS VERY HELPFUL IN SIXTH FORM. IT'S A VERY FRIENDLY ENVIRONMENT TO BE IN AND I WOULD RECOMMEND IT.

Caroline

Intensive A Level Courses

The Intensive A Level programme at LSI Independent College is designed for students who have completed Year 2 but wish to improve their grades by repeating their studies. This programme allows students to retake 1 to 3 subjects, with a focus on intensive learning and support.

One-year Intensive A level Re-sit

Our intensive one-year re-sit programme provides students with the opportunity to improve their current A level grades and reach their full potential. Our teachers give a great deal of attention to individual students’ needs while our specialised UCAS support helps to make each student’s application more effective.

One-year Upper Sixth Courses

Students may transfer into the second year of our A level programmes and continue their studies with us. Our one-year upper sixth course provides students with the opportunity to gain further understanding and skills that they may have missed during the first year of their studies. These courses may also be suitable for strong students wishing to take one or more A levels in a short period of time.

External Tuition

We offer A level and GCSE tuition for external students in a wide range of subjects, depending on tutor availability.

IMPROVE YOUR A LEVEL RESULTS AND UNIVERSITY OPTIONS THROUGH SMALL NURTURING CLASSES, DEDICATED SUPPORTIVE TEACHERS AND EXCELLENT UCAS SUPPORT.

Pastoral Care

At LSI Independent College we pride ourselves on the safety, happiness and well-being of our students. Student welfare is a fundamental part of our programme, which we recognise as being as important to our students’ development as the academic programme.

Starting a new school can be daunting, particularly when meeting pre-existing groups of friends. At LSI, our cohort will be joining us from other schools, state and independent schools as well as from schools abroad; so, everyone will be in

the same situation, making it easier for students to find their feet and make new friends.

On your first day at LSI, your appointed mentor and the school welfare officer will meet with you to introduce you to the other students, school staff and school welfare services. They will be on hand throughout your programme to offer support and advice. We also organise a regular and varied social programme for all students, ensuring that it is easy to get to know everyone else and make new friends.

WE ORGANISE A REGULAR AND VARIED SOCIAL PROGRAMME FOR ALL STUDENTS, ENSURING THAT IT IS EASY TO GET TO KNOW EVERYONE ELSE AND MAKE NEW FRIENDS.

Academic & Extra-curricular Programme

OUR OBJECTIVE IS TO PROVIDE A WELL-ROUNDED EDUCATIONAL EXPERIENCE BY INTEGRATING CO-CURRICULAR, EXTRA CURRICULAR, AND SUPER-CURRICULAR ACTIVITIES ALONGSIDE THE REGULAR ACADEMIC CURRICULUM.

Co-Curricular Activities

Directly linked to the academic curriculum to reinforce and enhance learning, e.g. EPQ and subject related clubs.

Extra-Curricular Activities

Enrichment activities not directly tied to the academic curriculum, e.g. sports, arts and MUN.

Super-Curricular Activities

Activities that go beyond the standard curriculum to deepen subject knowledge, e.g. university visits, research projects and field trips.

Assessment and Review

Each term, a review is conducted to evaluate the progress and impact of activities, ensuring continuous improvement. Student feedback is gathered regularly to refine and enhance the programme based on their experiences and suggestions. Additionally, an annual report is compiled to highlight key achievements, address challenges, and identify areas for further development.

Although each student’s schedule may vary, here is a sample timetable for a typical A level student:

Week	Activity	Duration
1	Introduction to co-, extra-, and super-curricular activities	1 hour
2	EPQ: project planning	1 hour
3	Debating and public speaking club	1 hour
4	Art club	1 hour
5	MUN (Model United Nations) club	1 hour
6	Sports & PE activities	1 hour
7	Maths club	1 hour
8	Free discussion club	1 hour
9	Volunteering and community service	1 hour
10	University visit planning	1 hour
11	EPQ: research & data collection	1 hour
12	Field trip planning	1 hour
13	Debating and public speaking club	1 hour
14	Medical ethics club	1 hour
15	EPQ: progress check in	1 hour

This plan ensures that students at LSI College have a balanced and enriching educational experience, preparing them not only academically but also socially and personally for their future endeavours.

Enrichment Programme

WE CURATE A DIVERSE RANGE OF ACTIVITIES THAT TRANSCEND TRADITIONAL LEARNING BOUNDARIES AND GO BEYOND THE CLASSROOM. THIS PROGRAM EMPOWERS STUDENTS TO EXPLORE THE RICH TAPESTRY OF CENTRAL LONDON, AND CULTIVATES A LIFELONG LOVE FOR LEARNING.

Flexibility is at the heart of our program, with activities subject to change to align seamlessly with evolving student needs and preferences. Whether it's tailoring workshops to specific interests or introducing new and dynamic experiences, we prioritize adaptability. This ensures that our activity offerings remain responsive and resonate with the diverse passions and aspirations of our students.

Holistic Growth

Our Holistic Growth Programme nurtures well-rounded individuals beyond academics, shaping global citizens with skills for life's big decisions. Through PSHE, we foster personal and social skills, global awareness, and critical thinking. It promotes respect for diversity, rejects prejudice, and builds independence and decision-making for adulthood.

International Students

INTERNATIONAL STUDENTS ARE WELCOMED AT LSI INDEPENDENT COLLEGE. LSI AS A COLLEGE IS ENRICHED BY ITS DIVERSE AND VIBRANT STUDENT BODY.

Overview

Our curriculum is designed with international students in mind, featuring popular subjects for both UK and overseas learners. We ease their transition with a friendly atmosphere, an induction programme, and our Hampstead location—leafy yet near central London's cultural riches. Integration drives success and well-being, supported by our extra-curricular programme and interactions with diverse peers.

Each international student has a Director of Studies overseeing academic and pastoral care, providing regular feedback to parents via an education guardian if needed. Expert university advice is delivered through this system. With 50 years of

English language expertise, we offer tailored support for exams or IELTS (minimum 5.5 required), including college-set tests and pre-course interviews (in-person or Skype).

Pre-sessional English Programmes

For students below 5.5 IELTS, our 50-year legacy in language training offers pre-sessional courses in July and August at LSI Independent College. A Level students needing more time can extend studies and join our 18-month programme, subject to prior performance and visa rules. Visit our website for details.

Guardianship

ALL INTERNATIONAL STUDENTS MUST HAVE A DESIGNATED EDUCATION GUARDIAN WHILE IN THE UK. THIS PROVISION ENSURES THAT THERE IS A CONTACT PERSON AVAILABLE TO ACT ON BEHALF OF THE STUDENT IN CASE OF EMERGENCIES.

UKGuardianship (UKG) provides comprehensive support services for international students throughout their UK education journey. Their WeCare A++ program offers complete academic and personal support including regular progress monitoring, mentoring, university preparation guidance, 24/7 emergency assistance, visa and documentation help, accommodation

arrangements, and transportation services. Students receive dedicated support for their wellbeing, academic progress, university applications, CV development, and extra-curricular activities, ensuring a well-rounded educational experience with assistance from experienced educational guardians. Required for students under 18 years old.

AND STUDENTS.

How to Apply

Visit our campus for an interview with the principal to discuss programmes and ask questions, or meet our Accommodation and Welfare Officer. Post-interview, complete an application form; we'll request references and transcripts from your current school. Admission depends on the interview, grades, and references.

For overseas students, Skype interviews are available if visiting isn't possible. Non-native English speakers must take our English test; some visa cases may require IELTS—we'll advise.

Transfer into Sixth Form 2nd Year - Students can transfer into our second year of sixth form. Contact us to explore options.

Scholarships

LSI Independent College offers academic scholarships to students who show exceptional potential. We look for students who demonstrate high aptitude for their course of study, as well as for students who show a willingness to make a significant and positive contribution to our student community.

Please note that scholarships are only applied to tuition fees. Accommodation and other college services are exempt and will be charged at full fees.

Open Days

You are cordially invited to visit the college on one of our open days throughout the year. This is an ideal opportunity for you to look around the college, meet the teachers and discuss your options
