

### A Level Year One

In their first year of A Level studies, students at LSI Independent College select three A Level subjects, each with five hours of instructional time per week. This rigorous academic schedule is designed to provide a deep understanding of their chosen subjects, preparing them for further education and their future careers.

#### **Core Components:**

- A Level Subjects: Each student selects three subjects, with 4-5 hours of lessons per subject per week.
- English Support: International students receive additional English lessons, ranging from 3 to 5 hours per week, based on their proficiency level.

Personal, Social, Health, and Economic Education (PSHE): All students participate in 1 hour of PSHE per week, focusing on personal development, health, and social responsibility.

## What Our Students Say

"My experience has been good! There are nice small class sizes so you get lots of focused attention which is really good. If you're considering LSI College, be prepared for a very studious lifestyle and it's right for you if you're really serious about getting good grades."

#### — Chloe, Current Student

"The leadership and education at LSI College is fantastic, they really pushed me to do my best and as a a result, I got into the University of my choice! Teachers Séan and Michael are in particular really great, and I highly recommend them and the institution that they work within.

#### — Zack, Former Student

### A Level Year Two

In their second year of A Level studies, students continue to follow the same timetable structure as in Year One, with the addition of career lessons once a week. These career lessons are designed to help students gain a better understanding of their future plans and options, ensuring they are well-prepared for higher education and their chosen career paths.

#### **Core Components:**

- A Level Subjects: Each student continues with their three chosen subjects, with 4-5 hours of lessons per subject per week.
- English Support: International students receive additional English lessons, ranging from 3 to 5 hours per week, based on their proficiency level.
- Personal, Social, Health, and Economic Education (PSHE): All students participate in 1 hour of PSHE per week.

Career Lessons: 1 hour per week dedicated to exploring future career options, university applications, and professional skills development.
