Cambridge (13-17 years old)

Supervision on Activities Programmes: Information for Students and Parents

Supervision for students is provided by our teachers and activities leaders during travel to activities and while participating in activities

Afternoon Activities:

Students will travel back to the residence with our activity leaders/teachers. Students who are on the homestay Junior programme will travel back to their homestay accommodation. Staff will ensure that the students are shown to the correct bus stops and will wait until all students have boarded the correct buses. Students will be asked to send a text to a designated member of staff informing them they have arrived home safely. The designated member of staff will also contact the homestays to make sure all students have arrived home.

Evening Activities and Saturday Excursions:

Evening activities are only offered to students who are on the residential programme, students will travel back to the residence with our activity leaders/teachers. For students on the homestay programme, staff will ensure that the students are shown to the correct bus stops and will wait until all students have boarded the correct buses following a Saturday excursion. Students will be asked to send a text to a designated member of staff informing them that they have arrived home safely. The designated member of staff will also contact the homestays to make sure all students have arrived home.

Free time: Students on the residential programme will not be permitted to leave the site during free time at the weekends/evening unless accompanied by an activity leader/teacher. Students who are in groups will be able to go off site with their Group Leader with a planned activity after completing a risk assessment and signing out themselves and their students. Group Leaders/students will be required to sign back into the residence on their return.

LSI does not supervise students on the homestay programme during any scheduled free time in the afternoons, evenings or at the weekends. Students are not normally permitted to leave Cambridge without the school's full permission. Note: parents cannot give unilateral permissions (i.e, the student is not free to leave Cambridge until the school has approved this)

For more information on our rules for students under 18 years old please read our parental permissions forms. This is sent at the time of enrolment. Please also read the information on our website about the "Care and Supervision for Under 18s". This can be found on the course descriptions on our website here: <https://www.lsi.edu/en/schools/england/learn-english-in-cambridge>

All students will be given badges to wear and have several emergency telephone numbers given to them during their first day induction.
