

2025
ENGLISH FOR 28+
General 20 at LSI London Central

COURSE DESCRIPTION

The **English 28+ Course** is a topic-based programme tailored for students aged 28 and above. Each week, students will delve into a distinct topic area with a corresponding grammatical focus. The learning journey encompasses a comprehensive approach where vocabulary and grammar are systematically developed, revisited, strengthened, and interwoven, aligning seamlessly with the intended design of the course materials.

In common with modern textbooks and recent methodologies, LSI follows a communicative approach to English language teaching where the focus is on meaning and communication. Teachers will assist students in experiencing rapid improvement in their communication skills across a variety of everyday situations.

On the first two lessons, students cover the following areas: grammar, vocabulary, and pronunciation. In an additional two lessons, the focus will be on speaking, listening, reading, and writing. Students use a text book in conjunction with a wide variety of materials and exercises including roleplays, authentic materials.

Teachers plan and customise lessons on a week-to-week basis. Classes are designed specifically for those students currently in the class.

This course can be **combined with mixed-age electives** or **professional development courses**, as well as the Club 40+ Experience (supplement activity programme). **Contact lon@lsi.edu for more details.**
