# ENGLISH FOR PUBLIC SPEAKING & PRESENTATIONS

*Mini Group 10 lessons per week*

## COURSE DESCRIPTION

Throughout **English for Public Speaking & Presentations** programme, students will learn how to plan, structure, and deliver successful presentations in English while gaining confidence, becoming more articulate in front of an audience, and improving their English pronunciation.

Through a combination of interactive activities and practice sessions, students will learn how to engage the audience with conviction, expressing themselves clearly in English. LSI will provide guidance and feedback to help enhance students' overall delivery, ensuring that their message is conveyed with impact and professionalism. Throughout the programme, they will also learn valuable strategies to enhance their stage presence.

This programme can be booked **independently** or in **addition to a morning 20 lessons course**, such as General 20, Exam Preparation 20, Academic English 20 or Business English 20. Check the availability of these programmes with the school.
