ENGLISH FOR AVIATION

COURSE DESCRIPTION

Learn the language of airline pilots for a CAA Private Pilots' Licence (PPL) or a Commercial Pilots' Licence (CPL). This course covers the ground theory required to gain a private or commercial pilot's Licence.

Course material is aimed at pilots or Air Traffic Control Officers who need an ICAO 4.

Practical flying sessions can also be arranged with a partner flying school at extra cost.

The **English for Aviation programme** consists of 5 to 10 **private 45-minute Aviation English lessons**.

These lessons run in the afternoon and can be taken in addition to a General or Intensive English course.

The Aviation English lessons can be booked independently or in addition to our General 20 or Intensive 24 courses.

SAMPLE SUBJECTS COVERED*

- Language and communication in Aviation
- Ground movements
- Runway incursions
- Meteorology
- Approach and landing incidents

*Subjects are subject to change.
