

ENGLISH FOR MINING

 *LSI London, LSI Toronto and LSI Brisbane*

COURSE DESCRIPTION

The **English for Mining** programme is a specialised English training course designed for professionals in the global mining industry. The programme is suitable for mining engineers, site supervisors, equipment operators, safety officers, environmental officers, technical managers and more broadly, international mining professionals aiming to strengthen their English proficiency and industry-specific knowledge.

This programme can be booked independently or in addition to a **morning 20 lessons course**, such as General 20, Exam Preparation 20, Academic English 20 or Business English 20 (check the availability of these programmes with your school of interest).

Programme modules

Module 1: Mining operations & Extraction
 Module 2: Production cycles and site logistics
 Module 3: Equipment & Maintenance
 Module 4: Safety & Compliance
 Module 5: Environmental & Sustainable communication
 Module 6: Professional & Managerial communication
 Module 7: Authentic industry integration
 Module 8: Specialist-level communication competencies

LESSON SCHEDULE

LONDON CENTRAL

Lessons are Monday to Friday, from 2:00PM to 3:40PM.

TORONTO

Lessons are Monday to Thursday, from 2:00PM to 4:05PM.

BRISBANE

Lessons are Monday to Friday, from 1:30PM to 3:45PM.

COURSE OUTCOMES

By the end of the course, participants are expected to:

- Explain mining processes and equipment functions
- Deliver clear safety briefings and toolbox talks
- Lead technical discussions and site meetings
- Present operational data and sustainability initiatives
- Write structured incident and shift reports
- Understand technical manuals and documentation
- Interpret regulatory documentation with precision
- Negotiate solutions to safety or logistical challenges
- Communicate complex technical concepts clearly and confidently
