## COURSE DESCRIPTION

English is the global language of business. Mastering it with confidence in professional settings is essential for building a successful international career.

Our flexible, fast-paced course is designed to quickly elevate your business communication skills. Each week, you'll engage in a dynamic mix of written exercises and interactive activities, including interview simulations, presentations, mock negotiations, networking practice and business meetings.

These hands-on experiences will boost your fluency with essential business vocabulary and sharpen vital skills like writing professional emails, memos, and formal letters. You'll also strengthen your ability to negotiate, lead conversations, and speak confidently on the phone.
