MEDICAL ENGLISH

Mini Group 10 lessons per week

COURSE DESCRIPTION

English is the language of the international medical community. LSI provides a Medical English programme which will not only improve your general level of English but will also improve your knowledge in the field of human biology, medical science, nursing, formal report writing and much more. By the end of the course you will be able to communicate more effectively with medical colleagues from around the world.

The **Medical English Mini Group** can be booked **independently** or in addition to a **morning 20 lessons course**, such as General 20, Exam Preparation 20, Academic English 20 or Business English 20. Check the availability of these programmes with the school.
